- Home delivery is perfect for long-term prescriptions.
- Mail an order form and a new prescription to begin service.

Express Scripts Mail Service Pharmacy FREQUENTLY ASKED QUESTIONS

- Q.** Do I have to pay extra to use the Express Scripts Mail Service Pharmacy?
- A.** No. The Express Scripts Mail Service Pharmacy is part of your prescription drug benefit. That means the service is available to you at no additional cost.
- Q.** Can using the Express Scripts Mail Service Pharmacy save me money?
- A.** Depending on your plan's mail service benefit, you could save money by using the Express Scripts Mail Pharmacy vs. using your local pharmacy. Check your plan for details and savings amounts.
- Q.** Which of my medications are ideal for the mail service?
- A.** Those prescriptions you take on a daily basis for a long period of time. For a short-term illness requiring a one-time prescription (and no refills), such as an antibiotic, your local pharmacy is the best choice.
- Q.** Are the drugs that I get through the mail the same as the drugs I get in a local pharmacy?
- A.** Yes. The mail service pharmacy dispenses the same medications you get at a local pharmacy.
- Q.** Can the Express Scripts Mail Service Pharmacy dispense medications that need to be refrigerated?
- A.** Yes. The Express Scripts Mail Service Pharmacy will ship medications requiring refrigeration in cold packs.
- Q.** Can I have my prescriptions delivered rush or overnight?
- A.** Yes. For an additional charge, the Express Scripts Mail Service Pharmacy can have your prescriptions sent overnight. Please note, this will require an additional shipping charge.
- Q.** Does the Express Scripts Mail Service Pharmacy have easy open bottle caps available?
- A.** Yes. Express Scripts ships prescriptions with child-resistant safety caps, but will provide easy open caps when requested.
- Q.** What if I'm going to be at a temporary address (while on vacation, etc.)? Can my prescription be sent there?
- A.** Yes. Prescriptions can be sent to a temporary address if you will be at that address for at least 14 business days. Just call customer service to have an associate set up your temporary address.
- Q.** Do many people use the Express Scripts Mail Service Pharmacy?
- A.** Last year alone the Express Scripts Mail Service Pharmacy filled more than 20 million prescriptions. Since 1986, we have been filling prescriptions for millions of Americans who enjoy the convenience of having their prescriptions delivered directly to their home.

Get your prescriptions **DELIVERED at HOME!**

Express Scripts Mail Service Pharmacy

You are entitled to have your prescription medications shipped directly to your home. This benefit is currently covered under your existing health plan, and is available at no additional cost to you. And standard shipping is free.

If you take prescription medications for asthma, heartburn, high blood pressure, allergies, high cholesterol or other long-term conditions, consider ordering your medications through the Express Scripts Mail Service Pharmacy.

Using Express Scripts Mail Service Pharmacy offers the following benefits:

- Prescriptions are delivered directly to your home — with free standard shipping.
- You get up to a 90-day supply of your medications — which means fewer refills and visits to your pharmacy.
- You can speak with a pharmacist anytime, day or night.
- Once you begin using home delivery, you can order refills by phone or online.

To have your prescriptions delivered to your home:

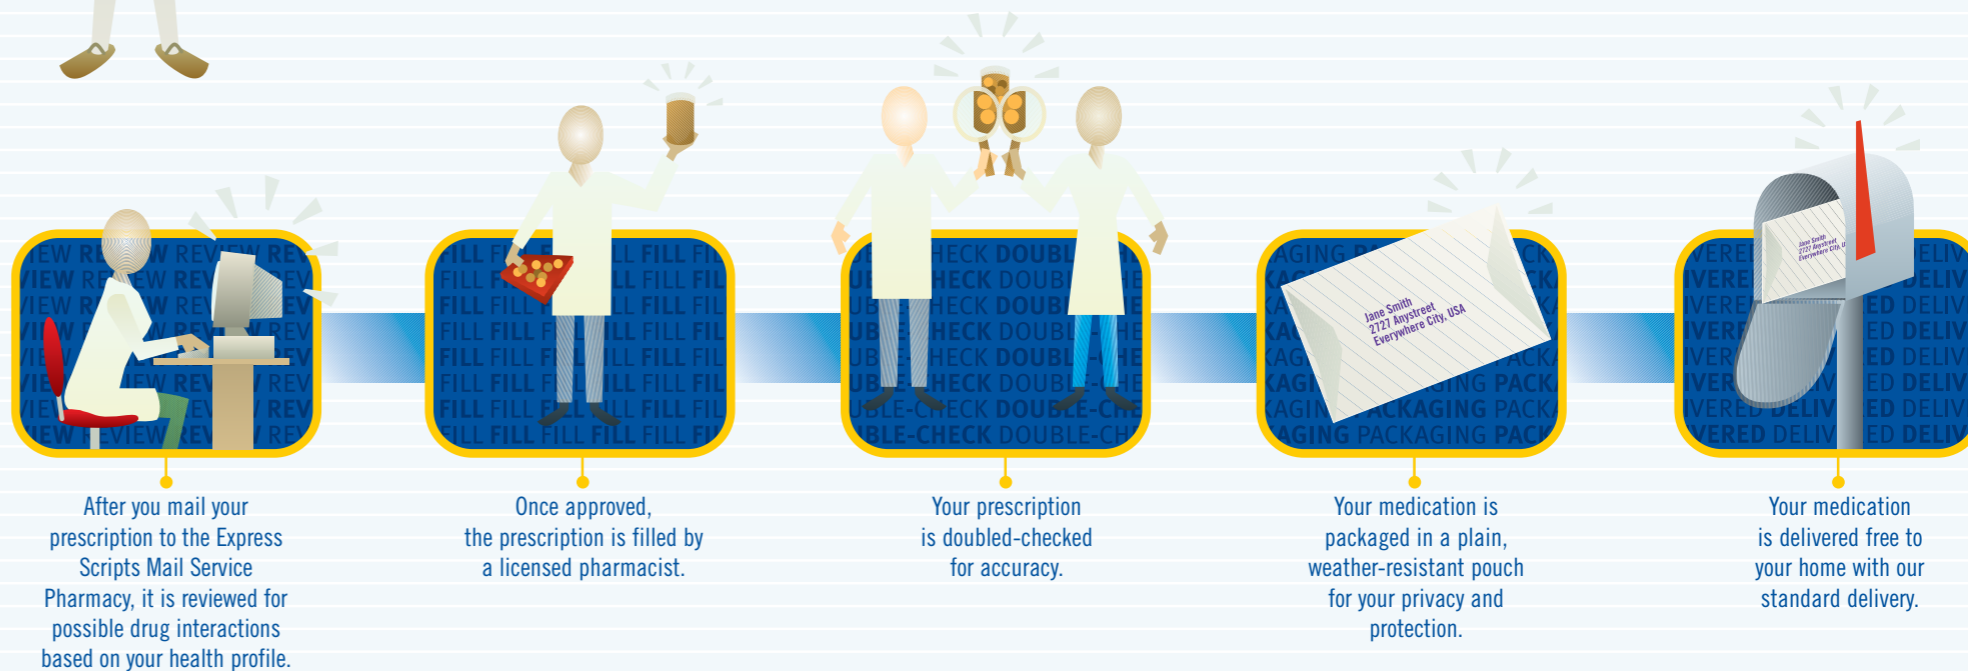

- Have your doctor write a prescription for up to a 90-day supply of your medication, plus refills, for up to one year, if appropriate.
- Complete a mail service order form.
- Insert the Prescription and payment in the order form and mail it to Express Scripts.

If you need an order form, please visit www.express-scripts.com to print one. If you don't have access to a computer, please call the Express Scripts toll-free number on the back of your card to request one.

Getting your prescriptions delivered at home is as easy as **MAILING** a letter.

Send the prescription from your doctor and a completed enrollment form to Express Scripts.
