Dear Fund Member:

The Teamsters Health & Welfare Fund is pleased to inform you of an exciting new program available to “Union Members Only” through our participation in the Delaware Valley Health Care Coalition (America’s largest, “Labor-Only” Coalition). Now, you and your family members will be able to obtain “hassle-free” pricing and vehicle information, on your way to purchasing or leasing an American-made car, such as Lincoln-Mercury, Ford, GM, Jeep and Chrysler, among others. Also, you can inquire about your trade-in during this same easy process by answering just a few brief questions, regarding your existing car. As a Member of our Fund, you will have access to pricing and service, not readily available to the general public.

The process is simple. Just log-on to www.dvhcc.org and click onto the Auto Web link using the following:

After just a few easy steps, you can choose from a variety of makes and models for virtually any new American car available. The request will be sent to the appropriate, “credentialed” DVHCC Network Dealer, who will contact you within 48 hours (SHOULD YOU NOT BE CONTACTED, PLEASE NOTIFY PROGRAM COORDINATOR, Jim Stevenson by e-mail, j.stevenson@northeastlincoln.com). The DVHCC Office will be copied electronically to ensure the highest levels of Member service and satisfaction.

DVHCC’s Auto Web Purchasing/Leasing Program is an innovative service that will simplify car shopping and...*save you and your union money!* Happy Car Shopping!

Sincerely,

WILLIAM J. EINHORN
