

Save Time and Money with 90-Day Supplies

CVS/caremark Mail Service Pharmacy™

CVS/caremark®

Save on the cost of your long-term medicine* by having a 90-day** supply mailed safely to your home, office or other location that works for you. Mail service pharmacy delivers on:

Savings: On average, one 90-day supply of your medicine costs less than three 30-day supplies.

Convenience: Free home delivery by mail saves you time with fewer trips to the pharmacy.

Safety: All medicines are reviewed for accuracy by a pharmacist and mailed in private, tamper-resistant, packaging.

Get Started: Simply sign on at no extra cost and we'll take it from there. See the other side to get started with 90-day supplies from CVS/caremark Mail Service Pharmacy.

*A long-term medicine is taken regularly for chronic conditions or long-term therapy. A few examples include medications for managing high blood pressure, asthma, diabetes or high cholesterol.

**Actual days supply can vary depending on type of medicine, where you fill your prescriptions and your benefit plan.

Sign Up for Home Delivery by Mail Today

Registration is simple and once you request your 90-day medicine supply, you'll receive them within 10 days from the time your order is placed.

Get Started Now: There are three simple ways to request a 90-day medicine supply for home delivery service. Simply choose one of the options below:

Online: Sign in or register at **Caremark.com**, click on “Request a New Prescription”, then enter your information.

Phone: Call the toll-free number on the back of your prescription ID card—be ready with doctor, medicine and mailing information and prescription payment method.

Doctor: Ask your doctor to submit your 90-day prescriptions electronically, via fax or over the phone.

Done! Now you're saving money, time and effort, which makes managing your health so much easier.
