

Specialty Medications

Specialty medications are often given by injection or infused to treat complex, chronic conditions and may require special handling, including refrigeration. Effective 3/1/2019 your specialty medications will be provided by Magellan Rx Specialty Pharmacy, Capital Rx's specialty pharmacy provider.

What you need to know

First, get a new prescription for your specialty medication from your doctor. Then, follow these easy steps:

Step 1:	Step 2:	Step 3:
Have your doctor e-prescribe Magellan Rx Pharmacy – Specialty, Orlando, FL 32812 or fax your prescription to (866) 364-2673 . Make sure your physician includes your contact information. If prior authorization is required, your doctor may need to take extra steps to submit your prescription.	A representative from Magellan Rx Specialty Pharmacy will call you to get more information and schedule your first delivery. Additionally, you may call 800-424-7491 to confirm receipt of the prescription from the prescriber.	Your prescription will arrive when and where you've requested.

Value Max Program – an add on to your specialty pharmacy benefit

The Value Max Program helps you take advantage of copay assistance programs offered by the drug manufacturer.

How to Participate

Once your specialty prescription is with Magellan Rx Specialty Pharmacy,

- A representative will contact you to help you enroll in the copay assistance program(s) offered by the drug manufacturer, if you are not already enrolled.
- If you choose not to participate in the Value Max Program, or you have maximized the copay assistance offered by manufacturer through a previous enrollment, you will be responsible for the full specialty tier 4 copay.
