

Let's Get Digital

Simplifying healthcare through the use of technology

At Capital Rx, we connect you to the tools and resources necessary to help you and your family make better healthcare decisions. We make it easy to renew and fill prescriptions, compare medication pricing, access on-demand medication videos, and more!

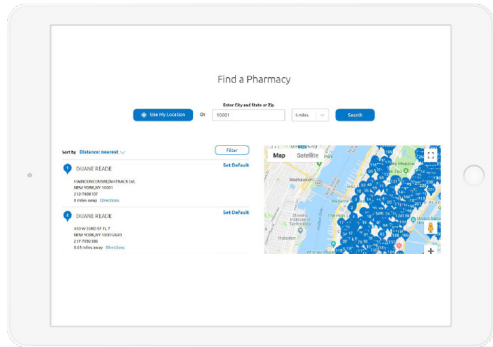

Take advantage of the following features on both web and mobile platforms:

<p>Smart Pharmacy Locator ★</p> 		<p>Formulary Listing</p> 
<p>View Claims History</p> 		<p>Access Health Resources & Forms</p> 
<p>Check Drug Coverage</p> 	<p>Web + Mobile</p> 	<p>Connect to Customer Service</p> 
<p>Compare Drug Pricing ★</p> 		<p>Medication Adherence Videos ★</p> 
<p>Refill Reminders</p> 	<p>Manage Mail Service Prescriptions</p> 	

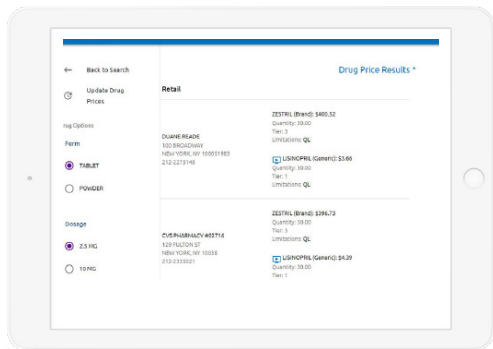

★ See reverse for screenshots and specifics

Questions? Beginning on 3/1/2019, the Member Help Desk will be available 24 hours a day, 7 days a week at 800-424-7491.

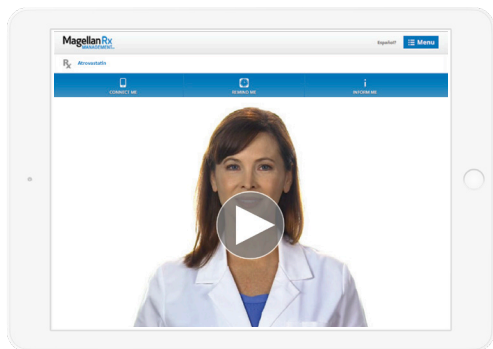

Smart Pharmacy Locator

- Locate pharmacies in your area
- Set a default pharmacy

Price a Drug

- Auto-complete feature assists in searching for a drug
- Ability to select from previously filled drugs, and offer dosage and strength selections based on the drug selected
- Comparative drug pricing for up to 3 retail pharmacies
- Drug pricing messages are provided in clear, understandable language

Medication Videos

In an effort to empower our members with relevant content for more informed healthcare decision-making, we now offer over 500 medication videos through our enhanced member portal. Our member portal videos provide:

- Traditional and specialty medication details
- Disease education
- Side effect awareness
