## WELLNESS SCREENING 2024 IS IN FULL SWING

As the summer begins to wind down, it's time to get all those tasks done that took a back seat for the summer. One of those tasks may be your Wellness Screening for the 2025 Plan Year. The Wellness Screening requires that **both the member and spouse** must complete a Wellness Screening through Quest

Diagnostics.. The Wellness Screening started in March and will run through October 31, 2024 (this is an extension from the original expiration date of September 30, 2024). Participation in the Wellness Screening will allow you and your qualified dependents to enjoy benefits under our Platinum Plan. This Plan has lower deductibles, co-insurances and co-pays compared to the Gold Plan. **If your spouse is currently enrolled in his/her company plan and only uses this plan as secondary, your spouse does not need to complete the Wellness Screening.** There are three ways to obtain the Wellness Screening through Quest.

- 1. Onsite Event:** offered at our **Health Fair on September 14, 2024 at Teamsters Local 107 12775 Townsend Rd Philadelphia, PA.** You will need to make an appointment either by calling 855.623-9355 or visit: [My.QuestForHealth.com](http://My.QuestForHealth.com) and schedule your appointment. There is more information regarding this Health Fair within this newsletter.
- 2. Patient Service Center:** You will need to make an appointment either by calling 855.623-9355 or visit: [My.QuestForHealth.com](http://My.QuestForHealth.com) and schedule your appointment.
- 3. Physician's Results Form:** most convenient option if you already have testing done at your doctor's office (testing must be done between January 1 and October 31, 2018). Download the form from the Quest Diagnostics Website ( [My.QuestForHealth.com](http://My.QuestForHealth.com)). The form must be completed in its entirety and faxed by **your doctor's office** by October 31, 2024 directly to Quest. The fax number is on the form.
